RESPONSES TO CONTRACTOR QUESTIONS REGARDING RFP NO. DACW17-02-R-0018:

1. **Question:** From the site visit we were under the impression that borings of the West Destroyer Slip were to be part of the Amendment. Are there borings for this area that will be distributed to plan holders?

Answer: No borings have been drilled in the Destroyer Slip.

2. **Question:** Section 02325 of the specifications under 3.3.5 states that "all dredged material from the contract shall be placed in the designated ocean disposal area". Drawing 3/2 shows an upland disposal site for the option work. Please clarify.

Answer: Refer to Amendment 0003.

3. **Question:** Is there any existing survey information for the upland disposal site?

Answer: There is no survey of the Upland Disposal Area. Bidders are encouraged to contact Mike McVann of Mayport Naval Station (904) 270-5580, Extension 137, if visiting the upland disposal area and pipeline route is necessary.
