Responses to questions for DACW17-01-R-0012

Dated 27 Mar 01

1. Map -6D: Can we get a map showing 6-D modified before bid?

You should be able to access the maps available at the following internet site:

ftp://ftp.saj.usace.army.mil/pub/uploads/realest/8.5SMA_alt6d/1992gdm2000grralt6d.jpg

2. Type of Reports: Self Contained Report with Multiple Tracts ?

Is the appraisal to be a Data Book with attached tracts appraised individually or does each tract require a data book (or equivalent)?

Each tract must have a self-contained narrative appraisal. This report must contain all relevant information and sales that are relied upon to arrive at the conclusion of value.

3. Will there be more than one (1) appraisal company assigned ?

The contract is currently set up for a single award. If it is determined at a later date that we need additional production of appraisals, another award may be necessary. Additionally, this RFP is a 100% set-aside for small business, therefore, the FAR clause 52.219-14, Limitation on Subcontracting, applies, which states in part "(1) Services (except construction). At least 50 percent of the cost of contract performance incurred for personnel shall be expended for employees of the concern."

Of course, this means that you can subcontract for up to 50% of the services.

4. Evaluation Factors- capacity:

- a. Does narrative appraisal reports mean self-contained appraisal report that is a Data Book (or equivalent) with each individual tract appraised separately ?

Yes.

- b. Does per month mean business or calendar days ?

Within a 30 calendar day period.
